

GENERET AWARD FOR RARE DISEASES 2024
Composition of the International Panel#1

Prof. Didier STAINIER

Chairperson

Department of Developmental Genetics
Max Planck Institute for Heart and Lung
Research

Prof. Sophie CHRISTIN-MAÎTRE

Endocrinology, Diabetes and Reproductive
Medicine
Saint-Antoine Hospital, AP-HP

Prof. Renzo GUERRINI

Neuroscience Department
Children's Hospital A. Meyer
University of Florence

Prof. Seamus MARTIN

Molecular Cell Biology Laboratory
Department of Genetics
The Smurfit Institute
Trinity College Dublin

Prof. Alexander MÜNCHAU

Institute for Systemic Motor Research
University of Lübeck

Em. Prof. Annalisa PASTORE

Basic and Clinical Neuroscience
King's College London

Prof. Eric SCHULZE-BAHR

Institute for Genetics of Heart Diseases
University Medical Center Münster

Prof. Jenny TAYLOR

Translational Genomics
Wellcome Trust Centre Human Genetics &
Oxford Biomedical Research Centre
University of Oxford

Prof. Elisabeth TOURNIER-LASSERVE

CERVCO (Reference centre for rare diseases
of the vessels of the brain and eye)
Lariboisière Hospital
Université Paris Cité

Prof. Antonio VITOELLO

Medical Genomics Laboratory
University of Bourgogne, Dijon
